

LANDWISE

LANDSCAPE ARCHITECTURE / CONSTRUCTION / MANAGEMENT

Landscape Enhancement Manager

We are interviewing for a **LANDSCAPE ENHANCEMENT MANAGER** position with extensive experience in commercial and residential Landscape Management. This is a **FULL-TIME / YEAR-ROUND** position and will be responsible for overseeing the installation and management of a variety of landscape elements.

Core Requirements:

1. Must have minimum 2-3 year's experience in managing crews and projects.
2. Must be able to interpret a variety of commercial landscape drawings.
3. Must have strong working knowledge of local landscape plants and irrigation systems.
4. Good references from recent employers.
5. Must work well with a variety of other employees and cultures. We foster a team and goal-oriented environment based on mutual respect.
6. A clean driving record with valid driver's license.
7. Must have a high level of professionalism with regard to interacting with clients, sub-contractors, and other professionals.
8. Must be well organized and have good basic administrative skills for responsibilities such as time and material tracking, job tracking, etc.
9. Must possess great leadership/management skills for running multiple crews and projects simultaneously.

Compensation:

1. **Above average pay**, depending on experience.
2. **Salaried or hourly** positions available.

Benefits:

1. Professional development, career advancement, company outings/events, and a great working environment.
2. Full benefits include company subsidized health insurance, 401K plan, company truck provided with full fuel paid by company.
3. To learn more about our employee benefits program, respond to this ad.
